

THE IDLE ROCKS WINE LIST

This *boutique* list boasts a selection of 'best in class' wines.

We want more than ever to support hard working wine makers, passionate about making wine that express depth of flavour, drinkability, and respect for the environment. We strive to select wines that use sustainable practices without disturbing the wines character.

You can trust that whatever your choice, the wine you choose will always carry an outstanding quality, will be gastronomically appropriate and will express the personality of the winemaker and terroir.

Don't be shy to ask what we're drinking this autumn.

Cheers!
