THE IDLE ROCKS

This boutique list represents hard-working wine makers, passionate about making wine that express depth of flavour, drinkability, and respect for the environment. We strive to select wines that use sustainable practices without disturbing the wine's character.

You can trust that whatever your choice, the wine you choose will always carry an outstanding quality, will be gastronomically appropriate and will express the personality of the winemaker and terroir.

'We support the Challenge 25 initiative. If you appear to be under the age of 25, you may be asked to provide valid photographic identification to verify that you are over 18. We appreciate your understanding and cooperation.'
